Women's 2020 Clinics AUGUST & SEPTEMBER

Cost: Resident = \$115 Non-Resident \$130

** Please note class sizes will be 7 people maximum to insure social distancing.
My goal is to offer fun golf lessons in a structured environment that will insure safety for my students and myself.

Each session is 55 minutes, one day a week for 4 weeks, which is ideal for a beginner golfer who wants to learn to play the game of golf. This will also be very helpful for the intermediate golfer who wants to enhance and fine tune her swing. Each week we will work on different fundamentals of the GOLF SWING = grip, stance, alignment, impact and balance. Also we will spend time on practicing your SHORT GAME which is chipping, putting and sand shots. In your fourth and final class, we will get the chance to go onto the golf course and play a full hole of golf and go over the rules, etiquette and course management to fully prepare you to play golf on your own.
