One hour group lesson ideal for the beginner golfer who wants to learn how to play golf or the intermediate golfer who needs to fine tune her swing or short game. Each week we will work on the fundamentals of the GOLF SWING (grip, stance, balance, alignment, back swing, impact, follow through) and the SHORT GAME (chipping, putting, sand shots). At the end of the fourth lesson, we will take the new and or intermediate women golfer out on the golf course to play a couple of holes and go over rules, etiquette and course management. Our goal is to make women feel confident and ready to play golf on her own.
